Why choose care at Hawai'i Island Community Health Center?

An Island-wide network of health centers: with school-based care, and mobile health outreach too.

Integrated care for the whole 'ohana: including medical, dental, behavioral health, pharmacy, women's health, support services, WIC, and more. Your care team works together to help you or your child meet your health goals & stay well.

Affordable care! We accept most insurance plans and provide sliding-fee discounts for services

Mission-Driven care: as a non-profit community health center, our goal is to ensure that everyone has access to the highest quality care, regardless of their ability to pay. Our team has roots across our island, caring for our own communities.

Support Services: our team's care doesn't end after your visit. We are here to help with other needs from insurance enrollment to referrals for support services, and provide education, information, and aloha.
